

Page 4

Mrs. Gibson told Charlotte Mills she lost one of her moccasins and she was afraid someone would find it and connect her with it.

Page 4

Charlotte said the bullets were long steel jacket and not big. 32 like the ones he has in his rifle.

Page 4

Charlotte says her father tells everyone now he is saving more money since she is dead.

Page 5

Charlotte says she never heard her mother say anything about a gun. That she does not know a 38 from a 32.

Page 5

Charlotte says her mother never had fainting spells
